Only members with STF certification are allowed to register for the competition.

The date posting in the Joint Admission Exercise (JAE) of students announced by MOE shall be the day in which a student would be deemed as a bona fide member of the school, JC or CI. Students admitted to the polytechnics in the JAE would no longer be considered a student of the school, JC or CI on that said day and therefore cannot continue to represent that institution.

If a student has represented his or her school, college or institute in a tournament prior to the JAE, he or she shall not be eligible to represent the new school, college or institute for that particular tournament.

Registration constitutes representation – that is, once a student is registered for a competition, he or she is deemed to have represented his or her school, college or centralized institute. Poomsae

- If there is a tie for any of the top four positions, the performers will have to compete again to break the tie.

Kyorugi

- There must be a minimum of 3 players from 3 different schools for the competition in the weight category to be held. Each participant must be accompanied by a coach with a professional pass. A participant will not be allowed to compete without a coach.

12 POSTPONEMENT

The Organising Committee reserves the right to postpone the championships for any valid reasons. All participants shall abide by the decision.

13 WITHDRAWAL/WALK-OVER

Schools participating in the competition should not withdraw or give a walk-over unless it is a technical withdrawal or walk-over. Other than that any withdrawal or walkover is considered contrary to the spirit of the game.

Technical withdrawal means that the player is outclassed in the match and technical walk-over happens when the player has to concede defeat because he or she is injured.

For each withdrawal or walk-over, a written explanation duly endorsed by the Principal shall be submitted to the Organising Chairman within two working days. A copy each is to be extended to the Advisors and the Technical Delegate.

For withdrawal or walk-over, a player or team will be disqualified from receiving any points, placing or medals. However, any merits earned by the participant will still be recognised for technical withdrawal or walkover.

The submission must be accompanied by the **S\$150 plus GST** protest fee and made **within 10 minutes** of the incident or the announcement of the result, whichever is applicable.

The CSB comprising the Chairman, the Technical Delegate and one member shall be appointed by the STF. The Board which has the power to decide on all technical matters shall deliberate the protest immediately. **Its decision shall be final and no further appeal will be entertained.**

The fee will be refunded if the protest is upheld. However, if it is overruled, the fee will be retained by the STF.

The Chairman of the CSB shall submit a report to the STF and the Principal concerned.

Upon the release of the decision of the CSB, only schools may appeal to the Council. Notices of the appeal shall be lodged with the Secretary of the Zone/Central Council within two (2) working days upon receiving the CSB division. The appeal must be made in writing and duly signed by the Principal.

Upon receiving the notice of appeal from the school, a non-refundable appeal fee of three hundred dollars (\$300) plus GST will be deducted from the school's account via IFAAS.

For non-technical matters, the appeal shall be submitted to the STF within five working days before the competition and two working days after the competition. The Board of Appeal will deliberate on the appeal. Its decision shall be absolute and final.
