

## **INSTRUCTIONS FOR NCAP (LEVEL 2) TECHNICAL RETEST**

The practical retest will be held on Friday 16 May 2014 at 7.00pm at J H Kim (Bukit Timah) for those who had failed any component.

Unsuccessful participants who are interested in the retest must call the STF Secretariat at 6345 1491 by 5.00pm on Wednesday 14 May 2014 to register. Payment may be made at the venue before the retest.

The fee is \$20 per component and \$10 for provision pass. For example, if a participant received a 'provisional pass' in the practical component, the retest fee is \$10 and while a 'fail' is \$20. On the spot registration for those who have not registered is \$30 per component.

- **Practical**

(Presentation and YPI are both under the practical component)

Presentation

- Those who failed this segment will be required to present a certain portion of their presentation by the tester.
- Those with provisional pass will be required to attend the practical component. Otherwise, they would be considered as being unsuccessful in the course.
- The tester will give an overall review of the presentations.
- At the end of the review, all participants will be required to take a short test.

YPI

- Those who failed this segment will be required to prepare a new YPI.
- Those with provisional pass will be required to improve on the current YPI.
- The retest will be conducted concurrently with the presentation.

- **Theory**

- The theory retest will be conducted on Saturday 17 May 2014 at 12.00pm at the STF National Training Centre.
