The application form for promotion is available at the Secretariat. National kyorugi referees may apply for promotion as soon as they obtain the minimum requirements.

1st Class national kyorugi referees who holds at least a 4th dan (Kukkiwon) may apply to participate in the international kyorugi referee course after officiating either the National Kyorugi Championships or the National Inter-School Championships once as a 1st Class. A referee is considered as having officiated if he clocks at least 90% of the tournament hours.

On the recommendation of the Chairman, Board of Referees, the Management Committee will consider the application.

The Management Committee reserves the right to decide on the number of qualified national referees for each international referee course. If there are more applicants than the number of referees, the Management Committee shall consult the recommendations of the Board of Referees for selection of suitable participants. The Board will give priority to active referees. However, if all things being equal, it will rank the referees according to their seniority as referees and submit its recommendations based on the ranking.
